Bao's Job This Month

Winter Ranger Bao

- Tracks footprints
- Guides the team
- Knows winter safety

Giggle Challenge

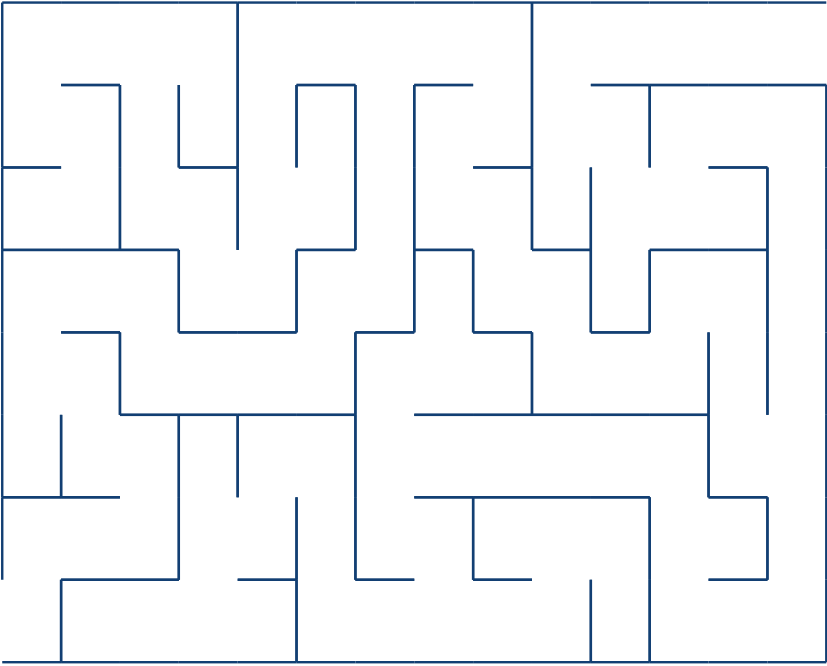

Make someone smile on a cold day.

The First Star

The Dumplings discover mysterious footprints in the snow. The trail leads them through the winter forest to the first golden star.

Follow the Footprints!

Did you know? Fresh snow can preserve animal tracks for hours.

Bao's Job This Month

Butterfly Explorer Bao

- Watches butterflies
- Studies nature
- Follows tiny clues

Giggle Challenge

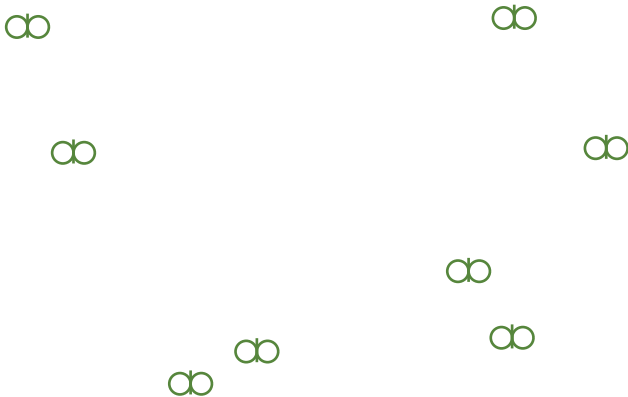

Do one small thing to help nature.

The Butterfly Trail

A trail of butterflies leads the friends across the meadow to an old tree hollow, where they discover star number five.

Find the Butterflies

Find exactly 8 butterflies.

Did you know? Butterflies taste with sensors on their feet.

Bao's Job This Month

Picnic Inspector Bao

- Checks picnic clues
- Uses a clipboard
- Solves snack mysteries

Giggle Challenge

Share a snack with someone.

The Picnic Mystery

During a lakeside picnic the strawberries disappear. The clues lead to Nibbles - and to the sixth golden star near the dock.

Picnic Clues

The basket is not by the tree.

Nibbles was near the dock.

The berries were beside something blue.

Which clue solves the mystery?

Did you know? Picnics became especially popular in Europe in the 1800s.

Bao's Job This Month

Sandcastle Architect Bao

- Draws plans
- Measures towers
- Builds with sand

Giggle Challenge

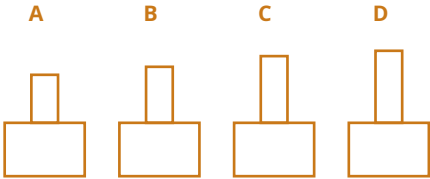

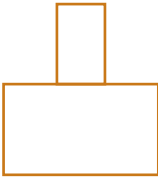

Help someone build or create something.

The Castle in the Sand

The friends build their biggest sandcastle ever. While digging the foundation for a new tower, they uncover the seventh star.

Which Shadow Belongs to the Castle?

Did you know? Damp sand holds together better than completely dry sand.

The Night in the Woods

On an evening forest walk, glowing fireflies guide the Dumplings to an old hollow stump containing the eighth golden star.

Who Lives Here?

Owl	Pond
Frog	Leaf pile
Hedgehog	Tree hollow
Squirrel	Nest

Draw lines to match each animal to its home.

Bao's Job This Month

Forest Ranger Bao

- Carries a lantern
- Reads the map
- Knows forest paths

Giggle Challenge

Look at the stars with someone.

Did you know? Many forest animals are most active around dusk.

Bao's Job This Month

Archaeologist Bao

- Uses a brush
- Studies ruins
- Records old clues

Giggle Challenge

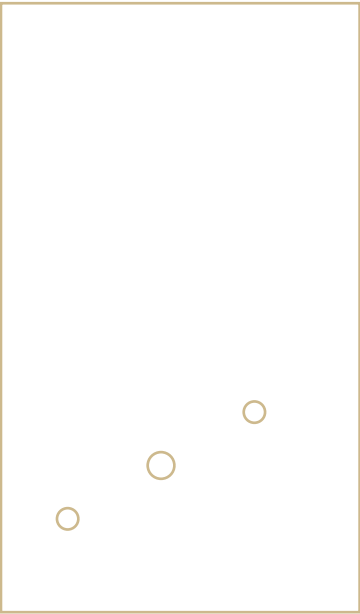

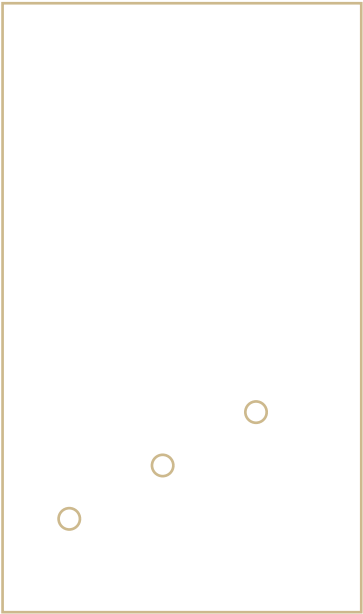

Discover something you never noticed before.

The Twelve Spaces

At ancient ruins the friends find star number nine and a stone circle with twelve star-shaped spaces. At last, the stars seem connected.

Find the 6 Differences!

Final artwork: exactly 6 controlled differences.

Did you know? Archaeologists study objects and sites to learn about the past.

29	30					

Bao's Job This Month

Weather Reporter Bao

- Reports the weather
- Observes the wind
- Checks storm clues

Giggle Challenge

Help someone when things get difficult.

The Stormy Clue

A strong autumn storm sweeps through the forest. After it calms, exposed roots reveal the eleventh golden star.

Put the Storm Story in Order!

A

Tree falls

B

Clouds gather

C

Star appears

D

Wind rises

Did you know? Strong wind can move branches and expose roots.

Bao's Job This Month

Treasure Hunter Bao

- Uses map and compass
- Follows the last clue
- Finds hidden paths

Giggle Challenge

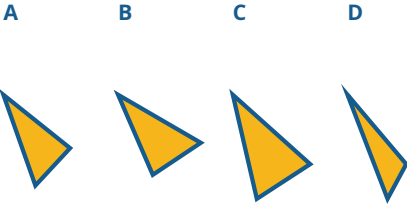

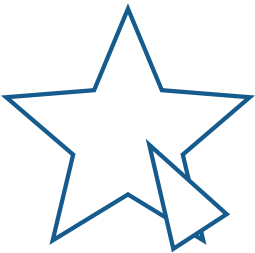

Do one thing that makes someone's day brighter.

The Last Star

The twelfth star completes the set and opens the way to the Giggle House. At night, the five friends watch a silver star-shaped firework in the distance.

Complete the Last Star!

Only C matches the missing piece.

Did you know? A new year can be a good time to begin a new adventure.
